School Patron: The Edmund Rice Schools Trust (ERST)

1. INTRODUCTION

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The school patron approved the policy on 10th September 2021. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Coláiste Éamonn Rís admission process are set out in the school's annual admission notice that is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

2. SCHOOL ETHOS & CHARACTERISTIC SPIRIT

Coláiste Éamonn Rís is a Voluntary Catholic Secondary School with a Catholic ethos for boys only. It operates under the Trusteeship of the Edmund Rice Schools Trust (ERST).

'Catholic Ethos' in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- a) the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith, and which school provides religious education in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of Coláiste Éamonn Rís shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school."

The school's Admissions Policy is informed by the ERST Charter. The characteristic spirit of our school is based on the holistic vision and values of the ERST Charter and in particular on the five key elements of the Charter namely:

- Nurturing faith, Christian spirituality and Gospel-based values;
- Promoting partnership;
- Excelling in teaching and learning;
- Creating a caring school community; • Inspiring transformational leadership.

Nurturing faith, Christian spirituality and Gospel-based values means that in Coláiste Éamonn Rís we live our Catholic Faith, experience God, respect the beliefs and values of each member of the school community and work for social and ecological justice.

Promoting partnership means that in Coláiste Éamonn Rís we make everyone feel welcome, build a Christian community with a shared vision and mission, recognise the voice of students, parents and staff, and are involved in our parish.

Excellence in teaching and learning means that in Coláiste Éamonn Rís we have high expectations of our teachers and students, nurture the development of all aspects of our lives, respond to a changing world, use technology responsibly and creatively to enhance our learning and promote learning as a life-long enterprise.

Creating a caring school community means that in Coláiste Éamonn Rís we show care and compassion as exemplified in the life of Jesus, respect and celebrate the dignity of each person, seek to help those who are disadvantaged or in need in society and speak up for those whose voice is not heard.

Inspiring transformational leadership means that in Coláiste Éamonn Rís we motivate people to work towards the vision of Blessed Edmund, inspire the minds and hearts of our students to have courage and confidence to stand up for what we believe in, lead by giving good example and take responsibility for our actions.

In Coláiste Éamonn Rís, the ERST Charter values are underpinned by a philosophy of education that has at its centre the unique dignity of the human person as a child of God. We see the interaction of people from different backgrounds—spiritual, ethnic, language, special needs—as a gift that will enrich the community of the school and promote the growth and learning of all. We value each student and his family. We welcome and are sensitive to each one, seeking to respond to their individual needs through:

The Curriculum: We provide a broad range of subject areas, encouraging students to take increasing responsibility for their own learning and decision-making.

Pastoral Care: We support and challenge our students to make the most of their time in school, providing programmes of language support, help with study, and personal counselling where necessary and developing links with family, working in partnership with parents and guardians.

Faith Development: We have a special commitment to development of the spiritual dimension of the lives of our members. Faith formation and the Religious Education programme play a key role.

- Students follow the State programme in Religious Education which is suitable for students of all faiths and those of no faith
- The school celebrates the major Christian feasts, and the major feasts of other faiths are acknowledged and celebrated in an appropriate way.

We hope that the gospel values inherent in the culture of the school will be internalised in the values, attitudes and behaviours of all members of the school community, and will find expression in their respect and care for one another. The school is open to and welcomes all who share this vision and wish to benefit from it.

In practical terms, the ERST charter values are reflected in the daily life of the school. The school engages with Bride Street Parish through our school chaplain. The school community comes together each September to celebrate our school Mass at the beginning of the new academic year. A Graduation Mass is celebrated in May, marking the end of our Sixth Years' secondary school life in Coláiste Éamonn Rís. Much work is done in school supporting various charities through no uniform days and through the work of the Cumann Éamonn Rís, the school's peace and justice group, inspired by the vision of Edmund Rice. Students participate as helpers on the Ferns Diocesan Pilgrimage to Lourdes each year. The school also regularly participates in the Edmund Rice Immersion Project to Zambia. The school's vision and commitment to providing a caring inclusive education is evidenced in the decision to set up an ASD Class in the school.

Placement on the waiting list of Coláiste Éamonn Rís is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Procedures for admission of students to other years and during the school year

The procedures of the school in relation to the admission of students who are not already admitted to the school to classes or years other than the school's First Year intake group are as follows:

A student who wishes to apply to transfer into Coláiste Eamonn Rís from another school must complete and submit a Student Transfer Application Form for consideration by the Principal, on behalf of the Board of Management. Transfers will normally take effect from the beginning of a school year.

While the school will seek to accommodate transfer requests, any application to transfer in from another school must satisfy the following conditions:

- Receipt of an acceptable student report (work-rate/behaviour/attendance) from the current/previous school attended;
- Adequate capacity being available in the school and/or the requested year group;
- Sufficient compatibility between subjects available in the school and those being studied by the applicant.

In considering a transfer application, the school may:

- Consult, where it considers it appropriate, with the parents/guardians of the student and, if necessary, with the Education Welfare Officer;
- Consult with the current or previous school(s) of the student;
- Seek the views of staff;
- Require the student to undertake an assessment test.

In reaching a decision on a transfer application, the Principal, on behalf of the Board of Management must be satisfied that the transfer would be of educational benefit to the student and, that the transfer would be in the interests of both the student and the school.

The procedures of the school in relation to the admission of students who are not already admitted to the school, after the commencement of the school year in which admission is sought, are as follows: During the school year, boys will be considered for transfer into the school only if

- a) they are moving into the Wexford region, **or**,
- b) there is mutual agreement on the transfer between both schools involved.

Where the Principal, on behalf of the Board of Management, decides to accept a student on transfer a place may be offered immediately, or from the beginning of the following academic year.

An application to transfer/join the school in respect of a student who has been excluded from another school will be considered by the Principal, on behalf of the Board of Management, only when all appeal avenues have been exhausted on the student's behalf in respect of his exclusion from his previous school.

Further information on admission procedures for the ASD Class, Transition Year and Repeat Leaving Certificate is contained in Appendices 1, 2 and 3 attached.

15. Declaration in relation to the non-charging of fees

The board of Coláiste Éamonn Rís, or any persons acting on its behalf, will not charge fees for or seek payment or contributions (howsoever described) as a condition of an application for admission of a student to the school, or the admission or continued enrolment of a student in the school.

16. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for parents of students and students (over 18) who have requested that the student attend the school without attending religious instruction in the school:

These arrangements will not result in a reduction in the school day of such students.

Parents of students and students (over 18) who wish to opt out of RE class should make a written request to the Principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss their options. Throughout this process, the constitutional right of the parent/student (over 18 years) will be respected by the school.

The 1998 Education Act states that schools are required to promote the moral, spiritual, social and personal development of students (Section 9 (d)). At Coláiste Éamonn Rís, the allocated time on the timetable for Religious Education (RE) responds to this. Students who opt out of RE class are required to use this time to study material relating to their own religious tradition or belief, for example sacred texts. Students of no religious faith, who opt out of RE class, are required to study relevant literature or philosophical texts. A list of suggested texts can be provided by the school. In line with the Edmund Rice Schools Trust Charter, Coláiste Éamonn Rís places great importance on the religious or spiritual formation of all its students. Each student has his own personal journey that will be encouraged and respected. Students who opt out of RE class will not be offered extra tuition or study periods.

17. Reviews/Appeals against decisions to refuse admission

In the event that a placement is inappropriate, the school will liaise with the appropriate agencies in an effort to obtain a placement more suitable to the needs of the student.

Appendix 2

Transition Year

The Transition Year Programme in Coláiste Éamonn Rís is a one-year non-compulsory programme that comes immediately after completion of the Junior Cycle. The aim of the programme is:

- Live the values of the ERST Charter and in particular on the five key elements of the Charter and in particular:
 - work for social and ecological justice through teamwork and task-oriented projects.
 - nurture the development of all aspects of our lives through a wide range of cultural and sporting activities,
 - seek to help those who are disadvantaged or in need in society and speak up for those whose voice is not heard through links between school and the wider community.
 - inspire the minds and hearts of our students to have courage and confidence to stand up for what we believe in and prepare students to become responsible members of society.
- ☐ To provide a good academic basis for beginning the Senior Cycle (Leaving Certificate) Course.
 - ☐ To develop aspects of the curriculum which tend not to be catered for in other courses.

The core subjects in Transition Year are:

English	Irish	Mathematics	Religion	Science	P.E.
Enterprise	Environmental Studies	Drama	History	Computer Studies	
Cultural Studies	(Chinese Language and Culture)	Career Guidance	Road Safety		

There is also a Work Experience module where students spend approximately 16 days during the year in a real work environment. Note that subjects and activities for Transition Year students may change from year to year.

The maximum number of places available on the TY programme will be dependent upon staffing, facilities and resources and will be determined annually by the Board of Management.

Acceptance on to the Transition Year Programme is contingent on the school being of the opinion that a student is capable of benefiting from participation in Transition Year and, equally, that his participation will not prevent any other participating student(s) from benefiting from the programme. Decisions in this regard will be taken by the Transition Year Admissions Committee, following consultation with the student and his teachers.

[Transition Year Application Procedures](#)

1. T.Y. Application Procedures

- 1.1 Early in third year, the TY Programme Co-ordinator will visit all third year classes. He/she will make it clear to all prospective applicants that knowledge of, research into and preparation for Transition Year, as evidenced in the completed application form, will be critical factors in gaining entry to the programme. Similarly, attendance, application, attitude to work and behaviour will be important factors.
- 1.2 A formal evening presentation will be delivered to parents/guardians of third year students interested in applying for a place on the programme.
- 1.3 Students apply for a place on a formal application form, witnessed by their parent(s)/guardian(s). This application form will outline some research into the Transition Year Programme and state clearly the reasons why they are applying for a place. It will also

outline the commitment that they will give if they are offered and accept a place. It will be impressed upon applicants that this is a critical factor in the application process.

- 1.4 **Applications will be deemed valid only if they are fully completed and submitted to the School Secretary within the specified deadline. Applications will be date-stamped only when considered valid.**
- 1.5 Any application received subsequent to the stated deadline will be considered **only** after students whose applications were submitted on time have been processed.

2. The Transition Year Admissions Committee:

- 2.1 The Transition Year Admissions Committee will be responsible for assessing applications and offering places. The committee will comprise of the Programme Coordinator, Transition Year Coordinator, Deputy Principal and Year Head of the current third year students, or a nominee of the Principal to replace one of the above who may be unavailable for any reason.
- 2.2 Members of the teaching staff will be advised of the list of applicants, and will be invited to offer professional advice and judgements in writing to the T.Y. Admissions Committee within a time schedule specified by the Programme Coordinator.
- 2.3 The criteria outlined in 1.1(above), the Application Form and the professional advice and judgements of the teaching staff will be critical factors in determining a student's application for admission on to the Transition Year Programme.
- 2.4 The Transition Year Admissions Committee reserves the right to interview students in relation to their applications and their suitability for participation.

3. Offer & Acceptance of Places

- 3.1 Places will be offered in writing to successful applicants within 10 school days of completion of the application process. Unsuccessful applicants will be informed in writing within the same time frame and will be advised of their right to appeal the decision initially to the Principal and subsequently to the Board of Management, if unhappy with the result of the initial appeal (See Section 6, below).
- 3.2 Students accepting a place must complete and return the Acceptance Form within the date specified, along with the first moiety of the Transition Year fee, currently €275. This

form must be signed by the applicant and witnessed by a parent/guardian. Failure to return the acceptance form to the school administration office within the specified time-frame will result in the place being forfeited.

3.3 Students accepting a place must comply with the school's Code of Behaviour and specifically pay regard to the terms of the Code as it applies to TY students.

4. External Applications:

Any application to transfer to Coláiste Éamonn Rís from another school will be considered strictly under the terms of the school's Admissions Policy in relation to such transfers. Should places in Transition Year become available, applications from external candidates will be considered by the Transition Year Admissions Committee following completion of the 'Offer and Acceptance of Places' process for internal candidates.

5. T.Y. Programme Fee:

The Programme Fee for Transition Year is set annually by the Board of Management and is intended to assist in defraying costs associated with the various activities and courses fundamental to the programme. This is currently € 500 and is payable in two moieties, the first moiety payable on acceptance of the placement and the remainder payable on the first day back in August. In addition, students will be required to pay separately for participation in some specific activities/trips undertaken during the course of the year.

6. Appeals:

In any case where a student is not offered a place by the T.Y. Admissions Committee, an appeal on his behalf may be made in writing to the Principal within 10 school days of notification that a place is not being offered. The appeal will be heard and determined within 10 school days of receipt of the appeal. In the case of such an appeal being rejected by the by the Principal, a further and final appeal may be made in writing to the Board of Management within 10 school days of the date on which the Principal issues his written decision rejecting the first appeal. The final appeal will be heard by the Board of Management at its next scheduled meeting.

APPENDIX 4:

LCA Programme Admissions Policy

All students who complete the Junior Cycle are free to apply to the LCA programme.

The total number of students that can be accommodated in LCA in any school year will be determined by the Board of Management, subject to resources available to the school, including physical classroom accommodation, class size, teaching and financial resources and is also subject to the capacity of the school to provide for the educational needs of those who apply for admission.

Admissions Procedures

1. All 3rd year and TY students will be briefed by the Guidance Counsellor on the Post Junior Cycle educational programmes and subject choices available at Coláiste Éamonn Rís. These programmes include Transition Year, the Leaving Certificate Established (LCE), the Leaving Certificate Vocational Programme (LCVP), the Leaving Certificate Applied Programme (LCA).
2. An information evening in relation to Post Junior Cycle Educational Programmes will also take place for Parents/Guardians of students in Third and Transition Year. Brochures will be handed out at this information session. (See Appendix 1)
3. Following the information evening, students will fill in their subject choices online. There will also be an option if students wish to apply for LCA. A further application form will then be provided. It is recommended that students wishing to apply for the LCA Programme also fill in their subject choices online.
4. Completed Application Forms (See Appendix 2) must be returned to the LCA Coordinator by the Closing Date specified. Late applications may not be considered. Acceptance of the completed application form does not confirm or imply an expectation of being offered a place on the LCA Programme.
5. An external applicant must firstly be accepted as a student of Coláiste Éamonn Rís by completing the Student Transfer Application Form. If accepted as a student of Coláiste Éamonn Rís, the student may then request and complete an LCA Application Form. The student is then subject to the same admission procedures as internal applicants.

Preference for the LCA Programme will be given to current Coláiste Éamonn Rís students when processing applications.

6. The LCA Coordinator will consult members of the Teaching Staff with respect to the LCA Application list, as is also the procedure for the Transition Year Application list.
7. An LCA Steering Committee will be established annually comprising of the following members: the LCA Coordinator, the SEN Coordinator, Year Heads (3rd Yr and TY), the Guidance Counsellor, Deputy Principals and the Principal.

The LCA Steering Committee will be responsible for assessing applicants and offering places.

8. Applicants will be interviewed by at least 2 staff members, one to include the coordinator.

The following criteria will help ascertain suitability for the Programme.

1. Level of interest indicated by the candidate at interview.
2. Willingness to participate fully in all elements of the LCA Programme.
3. Student's satisfactory attendance record in school.
4. Student's behavioural record over the three/four years of Junior Cycle in Coláiste Éamonn Rís, or in the case of an external candidate, the student's previous school.
5. An assessment of the student's competence and value to be derived from participation in key elements of the LCA Programme.
6. Assessment of the contribution the applicant can make to the LCA Programme.
7. The applicant's pastoral care needs as communicated by the Year Head, Guidance Counsellor and/or other professionals in the school.

The interview will be conducted and marked according to the following marking scheme:

Criteria	Marks
Attendance	20
Interview	30
Behaviour Record	20
Personal Achievements to Date	10
Overall Suitability	20
Total	100

An Applicant must achieve an overall score of 70 or greater in order to be offered a Provisional Place on the LCA Programme.

Offer of a Place in the Programme

Students will be given an acceptance or unsuccessful letter if their son is successful or unsuccessful in securing a place in the programme. (See Appendix 3 & 4) Students and their parents/guardians must also sign the LCA Student Contract (See Appendix 6) and complete a Specialisms Choice Form (See Appendix 5). These must be returned to the LCA Coordinator by a specified date.

Waiting List

When there are more applicants than available places, a waiting list based on the order of merit will apply. Once all students have accepted their place in Leaving Certificate Applied and the quota (as set out by the Board of Management) has been reached, the waiting list will cease on the second week of September of the academic year. In this way, students will be enabled to settle into their various programmes/year groups.

Withdrawal of an Offer

Any serious breach of the school's Code of Behaviour prior to and during the commencement of the LCA Programme may result in the withdrawal of the offer of a place on the programme.

In relation to attendance, a student who has not provided the school with proof doctor's cert/visit to dentist etc. and does not have 90% attendance may be removed from the LCA programme. A cert should be provided within a week of returning from an absence.

The student will subsequently move into TY or 5th Year of the Leaving Certificate Established Programme.

Change of Mind

A student who accepts a place on the LCA programme and subsequently withdraws from the programme is advised that his application for subject options in 5th year will be limited due to the subject lines have been built and certain subjects having reached their student capacity.

Students who want to leave LCA or who are not meeting requirements, due to absenteeism or behaviour will have an interview with the LCA Coordinator, Guidance Counsellor, and the Deputy Principal/Principal to discuss alternative options available to the student.

Appeals Procedure

In the case of a student who is not offered a place on the LCA Programme, an appeal may be made in writing to the Board of Management within 10 school days of notification of same.

The appeal will be heard by the Board of Management at its next scheduled meeting.

Appendix 6:

LCA Student Contract

The Leaving Certificate Applied teaching staff within Coláiste Éamonn Rís believe there are certain attitudes and actions that are essential to the successful completion of the Leaving Certificate Applied Programme. We have set these down in this document.

We want every prospective candidate, and their parents or guardians, to read this document and to sign the contract if they are willing to accept the requirements set out.

Attendance

Lengthy or repeated absence must be covered by a medical cert. Any holidays taken during the course of the two-year programme will not be accepted as a legitimate absence and will result in participants losing out on credits. This means that they will not achieve a high result at the end of the two years. In the case of high/prolonged unexplained absences students may lose their place on the programme.

Application to class work

We expect that every student will do their best in relation to class work. Credit will not be given for work that is not of an acceptable standard.

Work Experience

Work experience is an essential part of the Leaving Certificate Applied Programme. Students must arrange their own work experience placements and must attend work _____ during school term. It is important that students choose their work experiences carefully. It is recommended that work experience be completed in at least 2 different career areas.

Students are not allowed to complete their work experience in a work place in which they already have a part-time job. For each work experience placement, students must complete satisfactorily the Work Experience Diary. Employer Report Cards must also be returned. Failure to return or complete satisfactorily the above two documents will result in students losing vital credits. Students will be monitored carefully on Work Experience placements and a member of the teaching staff will phone/visit and interview both the student and their employer.

Behaviour

LCA students are expected to adhere to the Coláiste Éamonn Rís rules and code of behaviour as laid out in the student journal.

I have read and understand the above LCA Student Contract and agree to abide by the requirements set out above.
