Subject: Preparing for First Year – Laptop Orders Now Open

Dear Parent/Guardian,

Starting First Year is an exciting milestone in your child's education, and we're here to help make that transition as smooth as possible.

As part of our commitment to supporting digital learning in the classroom, each student is encouraged to have their own laptop device. Having access to a personal device allows students to:

- Engage more effectively in class activities
- Access learning resources with ease
- Stay organised and manage their assignments independently

To ensure all students are ready for the new school year, we've partnered with a trusted supplier to make the ordering process easy through a dedicated **online store**.

 Orders can be placed at store.oliveforeducation.ie. You will need to enter our school roll number: **63640R** when placing your order.

 **Please note:** The deadline to place your order is **July 31st** to ensure your child's device is secured for the start of term.

We encourage all families to order early to avoid delays. If you have any questions about the process, please don't hesitate to get in touch. If you have already placed an order you don't need to do anything else in advance of delivery.

Please note devices will be distributed in school on **Tuesday 26th August 2025**.

Kind regards,

Principal
Wexford CBS
