

Your Child's Digital Learning Journey: The Eduvolve Student Bundle

Welcome to the 1:1 student device programme! We know that investing in a device for your child's education is a significant milestone. That is why Eduvolve has partnered with your school to provide a complete, stress free digital learning package.

We don't just supply a laptop; we provide a fully managed, secure, and protected educational tool designed to last your child's entire school journey.

Below is everything included in your school's exclusive ASUS Student Bundle.

We have carefully selected this premium 2-in-1 laptop engineered specifically to withstand the daily realities of student life.

- **Classroom Tough:** Spill resistant keyboard and military grade rubber bumpers help survive drops.
- **Garaged Stylus:** Built in digital pen charges inside the device so it is less likely to be lost or left behind.
- **Learning Ready:** Option Designed specifically for Education and featuring the efficient Intel N150 processor with 128GB Storage and 8GB RAM.
- **Accidental Damage cover:** Option to add a 3 year accidental damage protection
- **Extra Protection:** Option to add a heavy duty protective case for €37

Frequently Asked Questions

"What happens if it breaks?"

Your bundle covers you! We include a 3 Year Warranty with **an option to add a 3 year accidental damage cover for 35 euros.**

"When will the device be delivered?"

Orders need to be paid in full before the 30th of August 2026. Once this is complete, devices are shipped directly to the school, usually on the date decided by the school, and ahead of a digital learning readiness workshop with the Eduvolve team - where we get students set up using their new laptops.

Student Bundle Price: €515

This includes the 12.2" ASUS Education Laptop with digital pen, device set up & configuration, device management, delivery, 3 Year Warranty with and **option to add a 3 year accidental damage cover for 35 euros and an option to add a heavy duty protective case.**
